Dear Desert Hospitality Professional,

Re: 2018 DHAA Golf Tournament – Donation Request & Golf Players

Our Desert Hospitality Accountants' Association will hold its **26th Annual "Fun in the Sun" Golf Tournament** at Ironwood Country Club on Friday, May 18th. This event has been both fun and successful at raising funds for our Scholarship Fund, which benefits accounting students in the Hospitality industry. Last year we raised over \$7,000 with 100% of the proceeds go directly to this fund. To continue to make scholarships available for these exceptional students, we are reaching out to our fellow hospitality professionals for a round of golf, lunch or dinner package, spa services, stay at your hotel, or other in-kind service.

To qualify for our scholarship, students must be studying Accounting and have a 3.0 GPA or higher. Last year we awarded Andres P. as recipient of our scholarship award. He attends California State University San Bernardino and is studying Accounting and Supply Chain Management. Andres comes from a strong working class immigrant family and is the first to attend college. In his personal statements he says, 'The future depends on what I do today'. It is without question this program makes a difference in our community.

Last year we introduced the "Pineapple" Award for the Hospitality Golf group that places first in the golf tournament. Start thinking about your golf teams, please. We would request that teams have at least one non-golf professional playing. The debut of the annual "Pineapple" award, which symbolizes "hospitality, friendship, and welcome" will be passed down in subsequent tournaments.

If you have any questions regarding this donation request, please email or contact

On behalf of the DHAA Golf Committee and DHAA Board of Directors, thank you for your support of the Desert Hospitality Accountants' Association Scholarship Fund and the 2018 Golf Tournament!

Sincerely,

Bobby Hendrix, CPA, MBA
